

An Evening With The Symphony

presented by the

Pacific Symphony Heartstrings Program

Join us for a night of music hosted by the Thompson Autism and Neurodevelopmental Center and the Pacific Symphony Heartstrings Program

This event is for patients and families of the Thompson Autism and Neurodevelopmental Center

Space is limited. This event will include live music. Please plan accordingly and bring any items, such as headphones, to best support and prepare your child.

Thursday February 22, 2024 / 6:00-7:00 pm

Thompson Autism and Neurodevelopmental Center
170 S. Main Street
Orange, CA 92806

Please register at the front desk or by contacting
April @ April.soriano@choc.org
